Why Join the Friends?

- 1) Your membership is a sign of your support and is important even if you do not wish to be an active member. Outside bodies view the size of our membership as an indicator of our support in the community.
- 2) Although all of our public events are open to everybody, as a member you have a voice in the 'Friends' by being able to stand for office or a place on our committee at the AGM (in early summer), or to cast your vote for preferred candidates. You also receive 'Stone Stories', our magazine several times a year. This gives details of events discoveries and developments in the Cemetery Park and on Ackroyd Drive Green Link, which together form one of Tower Hamlets two statutory Local Nature Reserves.
- 3) If you are able to give practical support there are a host of ways you can do it. These include practical nature conservation activities, grave recording and historical research, helping plan and run events, fund raising, giving 'wise counsel' on the committee and if you have suitable skills you may be able to help us develop the Friends structure and organisation to adapt to the growth of our activities and budget.
